## Pack the Dome: MLK Day of Service 2023

Happy New Year! As we begin this new year, let's take a moment to reflect on the importance of community. By coming together and supporting each other, we can make a positive impact on our campus, in our neighborhoods and our communities. Here's to a year filled with collaboration, connection, and making a positive impact together!

Volunteering is healthy, increases self confidence, and makes you feel good. Start the year off by making a difference in our community and sign up to volunteer for Pack the Dome: MLK Day of Service 2023. Participants will help package food for the Northeast Iowa Food Bank in support of their "Backpack Program". The Backpack Program serves 4,100 children at 159 different schools across northeast Iowa each month. Before school lets out for the weekend, children receive assembled bags of kid-friendly meals and snacks that can fit in their school bags.
